# RESOLUTION

Impeaching Antony John Blinken, Secretary of State, for high crimes and misdemeanors.

1       *Resolved*, That Antony John Blinken, Secretary of  
2 State, is impeached for high crimes and misdemeanors and  
3 that the following articles of impeachment be exhibited to  
4 the United States Senate:

5       Articles of impeachment exhibited by the House of  
6 Representatives of the United States of America in the  
7 name of itself and of the people of the United States of  
8 America, against Antony John Blinken, Secretary of

1 State, in maintenance and support of its impeachment  
2 against him for high crimes and misdemeanors.

3 ARTICLE I

4 Antony John Blinken, in his conduct while Secretary  
5 of State, engaged in a pattern of conduct that is incompat-  
6 ible with his duties as an Officer of the United States,  
7 as follows:

8 Secretary Blinken took an oath to defend and secure  
9 our country and uphold the Constitution when he was  
10 sworn in as Secretary of State on January 26, 2021. Arti-  
11 cle II of the United States Constitution tasks the Execu-  
12 tive branch with ensuring the laws passed by Congress and  
13 signed into law by the President are faithfully executed.

14 Secretary Blinken has failed to faithfully uphold his  
15 oath and has instead presided over a reckless abandon-  
16 ment of our nation's interests, security, and values in his  
17 role in the withdrawal of American forces and diplomatic  
18 assets from Afghanistan.

19 On April 14, 2021, President Biden announced that  
20 all United States troops will begin withdrawing from Af-  
21 ghanistan starting May 1, 2021 and that the removal of  
22 troops would be completed by September 11, 2021.

23 On April 24, 2021, Pentagon officials, national secu-  
24 rity advisers, and Secretary Blinken, in a meeting with  
25 President Biden at the White House, indicated their belief

1 that they could withdraw the remaining 3,500 American  
2 troops from Afghanistan by July 4, 2021.

3       During this same meeting, it was reported that the  
4 State Department articulated its ability and intention to  
5 keep the American Embassy in Kabul open and oper-  
6 ational with more than 1,400 Americans remaining in  
7 country.

8       On April 27, 2021, in apparent acknowledgment of  
9 the dangers posed by a resurgent Taliban, the American  
10 Embassy in Kabul ordered nearly 3,000 members of its  
11 staff to depart.

12       On May 11, 2021, the Taliban—in furtherance of its  
13 speedy and sweeping campaign to recapture control of  
14 much of Afghanistan—captured the Nerkh district imme-  
15 diately adjacent to Kabul.

16       On May 15, 2021, Embassy officials sent an urgent  
17 warning to remaining Americans in the country that the  
18 “U.S. Embassy strongly suggests that U.S. citizens make  
19 plans to leave Afghanistan as soon as possible.”.

20       On July 2, 2021, the American military vacated  
21 Bagram Air Base—the central United States military post  
22 in the country, including the prison on site housing over  
23 5,000 Taliban and suspected terrorist prisoners. The  
24 hasty evacuation left these prisoners as well as significant  
25 stockpiles of American weapons and equipment unguarded

1 resulting in the eventual liberation of prisoners and sei-  
2 zure of weapons and equipment by Taliban forces. On July  
3 8, 2021, President Biden stated “there’s going to be no  
4 circumstance where you see people being lifted off the roof  
5 of an embassy of the United States from Afghanistan. It  
6 is not at all comparable.”.

7       On August 12, 2021, State Department spokesman,  
8 Ned Price, serving under the authority of Secretary  
9 Blinken stated “The embassy remains open, and we plan  
10 to continue our diplomatic work in Afghanistan.”. Ross  
11 Wilson, the acting United States ambassador to Afghani-  
12 stan who was on the call, said the staff still needed 72  
13 hours to leave.

14       On August 15, 2021 the American Flag at the United  
15 States Embassy in Kabul was taken down.

16       On August 15, 2021, Kabul and the Green Zone—the  
17 heart of the American diplomatic presence in Afghani-  
18 stan—was recaptured by the Taliban and remains under  
19 its control.

20       On August 25, 2021, American citizens were still at-  
21 tempting to navigate through Taliban blockades, and  
22 widespread chaos on the streets of Kabul to Hamid Karzai  
23 International Airport in order to leave Afghanistan.

24       On August 26, 2021, Secretary Blinken’s failure to  
25 execute his duties to safely and efficiently evacuate of all

1 United States government personnel, dependents, and pri-  
2 vate United States citizens when their lives are in danger  
3 directly gave rise to a dangerous scenario at the Kabul  
4 airport enabling terrorists to execute a deadly attack that  
5 killed eleven marines and a Navy medic and further under-  
6 mined his abilities to execute his duties under 22 U.S.C.  
7 4802(b).

8 Secretary Blinken's actions, including ignoring crit-  
9 ical intelligence received from the embassy in Kabul and  
10 United States intelligence agencies, have left American  
11 property, military equipment and weapons in the hands  
12 of enemies of the United States, left American citizens  
13 stranded in life threatening situations in dereliction of his  
14 duties as Secretary of State (22 U.S.C. 2715; 22 U.S.C.  
15 4802). These actions have eroded American interests and  
16 security as well as our credibility and relationships  
17 amongst our closest allies. In failing to uphold his respon-  
18 sibilities of his office, Secretary Blinken has failed to en-  
19 sure the protection of the United States Government to  
20 American citizens, property, and interests in foreign coun-  
21 tries.

22 Wherefore, Antony John Blinken, by such conduct,  
23 warrants impeachment and trial, and removal from office.

24 ARTICLE II

25 Antony John Blinken, in his conduct while Secretary  
26 of State, engaged in a pattern of conduct that is incompat-

1 ible with his duties as an Officer of the United States,  
2 as follows:

3       On August 10, 2021, as the crisis in Afghanistan was  
4 evident and worsening, Secretary Blinken’s spokesman,  
5 Ned Price, stated that “the United States continues to  
6 have leverage. . .and the Afghan Government has tremen-  
7 dous leverage.”. An assertion now proven obviously erro-  
8 neous constituting the provision of false information to the  
9 Congress and American citizens.

10       On August 15, 2021, the Taliban captured Kabul,  
11 the capital of Afghanistan. Over one week later, on August  
12 25, 2021, Secretary Blinken gave his first public briefing  
13 or interview since the collapse of Afghanistan. This is in  
14 direct violation of his statutory duty to keep the Com-  
15 mittee on Foreign Relations of the Senate and the Com-  
16 mittee on Foreign Affairs of the House of Representatives  
17 fully and currently informed with respect to all activities  
18 and responsibilities within the jurisdiction of these com-  
19 mittees (22 U.S.C. 2680(b)).

20       On July 13, 2021, nearly two dozen American dip-  
21 lomats, still remaining in the Kabul embassy, sent a memo  
22 directly to Secretary Blinken through the State Depart-  
23 ment’s “dissent” channel. The cable, first reported by the  
24 Wall Street Journal on August 19, 2021, urged that evac-

1 uation flights for Afghans begin in two weeks and that  
2 the administration move faster to register them for visas.

3       Five days prior to Secretary Blinken receiving the  
4 cable through the dissent channel from Kabul, President  
5 Biden stated that the Afghan Government was unlikely  
6 to fall and there would be no chaotic evacuations of Ameri-  
7 cans similar to the end of Vietnam. Upon receiving the  
8 dissent cable from the Embassy, Secretary Blinken had  
9 a moral duty and was statutorily obligated to inform the  
10 Congress and American public (22 U.S.C. 2680(b)) that  
11 President Biden's remarks needed to be clarified to pre-  
12 vent any confusion at home and abroad.

13       Throughout the month of July and into August, prior  
14 to the collapse of the Afghan Government, the United  
15 States Intelligence Community warned President Biden  
16 and his top advisors, including Secretary Blinken, that the  
17 situation in Afghanistan was worsening, the Afghan mili-  
18 tary was ill-prepared to deal with the Taliban, and a pre-  
19 emptive removal of American troops was ill-advised.

20       In direct conflict with the intelligence and advice pro-  
21 vided by his own diplomats and the intelligence commu-  
22 nity, Secretary Blinken failed to advise and counsel the  
23 President accordingly and did not inform the Congress nor  
24 American citizens at home and abroad of the dangers

1 posed by the advancing Taliban of which he was explicitly  
2 aware.

3       As a result, the Afghan Government collapsed in the  
4 month of August 2021 and American forces have been  
5 struggling to retrieve American civilians and allies, and  
6 a humanitarian crisis has erupted at Hamid Karzai Air-  
7 port in Kabul. Secretary Blinken has not informed the  
8 American public nor Congress of what actions will be  
9 taken to ensure the safety of all Americans and American  
10 allies in Afghanistan.

11       Wherefore, Antony John Blinken, by such conduct,  
12 warrants impeachment and trial, and removal from office.
